Eric is a partner in the firm's Intellectual Property, Entrepreneurial Services, and Information Privacy & Security practice groups. He focuses his practice on advising clients on the value and business impacts of intellectual property, creating and negotiating technology and software licenses, and protecting clients' trademark, patent, copyright, and trade secret rights through litigation in both federal and state court.

Eric joined Tonkon Torp in 2010 after earning his J.D. at the University of Pennsylvania. Prior to entering law school, Eric worked for 12 years as a software developer and architect.
