

Intellectual Property

Our lawyers are skilled in the law of trademarks, copyrights, trade secrets, and patents. They enjoy helping clients develop, protect, and strategically exploit those assets.

Intellectual property assets can underpin a company's success in virtually any industry. Our intellectual property practice encompasses counseling on the full range of clearance, development, protection, and enforcement services, as well as litigation expertise. We work with exceptional patent prosecution firms when our clients need technical patent advice.

COUNSELING & TRANSACTIONS

Intellectual Property Litigation

Tonkon Torp attorneys advocate fiercely on behalf of our clients in intellectual property matters. Our experienced litigators are ready to help resolve disputes through negotiation, mediation, litigation, and/or arbitration. When fast action is needed, our attorneys have extensive experience seeking injunctive relief to prevent the inappropriate release or use of intellectual property assets. Tonkon Torp's IP Litigation attorneys are also adept at negotiating satisfactory settlements or ongoing license agreements without compromising our clients' business relationships.

Our intellectual property litigation practice includes:

- Both the defense from and assertion of claims of patent, trademark and copyright infringement, as well as trade secret misappropriation
- Contract and commercial disputes arising from technology transfer, licensing, or other agreements related to intellectual property
- Domain name disputes
- Enforcement of non-compete and nondisclosure agreements through injunctions, trials, and appeals
- Trademark Trial and Appeal Board proceedings and appeals
- Patent Trial and Appeal Board proceedings and appeals
